

ROANOKE VALLEY GIVES P2P FUNDRAISER

Restoration Housing is in need of P2P (Peer to Peer) Fundraisers for Roanoke Valley Gives Day 2021! Overseen by the Community Foundation Serving Western Virginia, RV Gives is a 24-hour period of giving designed to inspire and grow philanthropy across the Roanoke Valley. As an engaged supporter of our work, we feel you would be a wonderful ambassador of Restoration Housing on this day. Becoming a P2P Fundraiser for Restoration Housing is a great way to extend our reach into the community and lend credibility to our organization through your personal support. It only takes a few minutes to set up a page and share through email or social media. Fundraising pages may be created any time up until RV Gives Day on March 10, 2021.
