BACKGROUND & STATISTICS

WHO WE ARE:

Restoration Housing is a 501(c)3 non-profit community-based developer with a focus on historic preservation of architectural resources for the social benefit of low-income communities.

WHAT RESTORATION HOUSING DOES:

Restoration Housing's main objective is to help low to moderate income, hardworking adults provide safe, secure, comfortable homes for themselves and their children through the redevelopment of existing buildings within Roanoke's Historic Districts. This not only benefits the family in question, but supports healthy, sustainable neighborhoods by reducing blight and vacancy which increases property values and deters vandalism and crime. Restoration Housing also undertakes community impact projects which provide affordable rental options for nonprofit organizations seeking to expand services in low to moderate income neighborhoods as well as providing consulting services to mission-minded developers, nonprofits, and government entities.

HOW OUR MODEL WORKS:

Restoration Housing's development projects work on a unique model combining historic tax credits, in-house schematic drafting, tax credit syndication, and construction management. Through this model, we are able to support preservation, provide affordable rental options, and strengthen families and communities. Ultimately, our developments are intended to enhance both timeless buildings and sustainable neighborhoods.

Each development project offers affordable rents based on the needs of the surrounding neighborhood, whether they be workforce (slightly below Market Rate) or low-income (60% of the Area Median Income). Accomplishments to date include:

- Renovation of 530 Day Avenue providing housing to two limited-income families.
- Renovation of 1018 Patterson Avenue providing housing for two low-income families.
- Renovation of Villa Heights, providing affordable rental space for nonprofits serving limited income families.
- Renovation of 326 Dale Avenue, providing four Permanent Supportive Housing units.
- Renovation of 820 Dale Avenue, providing housing for one low-income family.
- Construction commenced in Winter 2022 on a two-family home at 920 Stewart Avenue.

OUR PARTNERS:

We are proud to partner with the following organizations from the Roanoke Valley. They each share our mission to invest in our community by providing affordable housing opportunities to families in need. Together, we are better able to serve the community and create healthy, sustainable neighborhoods.
